| General Waste Incinerator |  <p>A photograph showing a large, white, rectangular industrial unit, likely a waste incinerator, situated outdoors. The unit has a dark, rectangular opening on its front. In the foreground, there are several pallets stacked with red and blue materials, possibly construction or industrial supplies. A large white IBC (Intermediate Bulk Container) is visible to the left of the unit. The background shows a concrete ground and a clear sky. A timestamp in the bottom right corner reads "03/01/2017 11:10".</p> |
| General Waste Incinerator |  <p>A photograph showing a similar view of the waste incinerator unit. A large, black, cylindrical pipe is lying horizontally on a wooden pallet in the foreground. The white IBC container is still visible to the left. The background shows a concrete ground and a clear sky. A timestamp in the bottom right corner reads "03/01/2017 11:10".</p> |
| Site: North West |  <p>A close-up photograph of a large, white, horizontal pipe with a circular flange on its end. The pipe is resting on a wooden pallet. In the background, there is a concrete wall with a sign that reads "SCAFFOLD STORAGE". The sky is clear and blue. A timestamp in the bottom right corner reads "03/01/2017 11:11".</p> |
| Site: North |  <p>A close-up photograph of a large, white, horizontal pipe with a circular flange on its end, similar to the previous image. The pipe is resting on a wooden pallet. In the background, there are stacks of materials, possibly bricks or blocks, and a concrete wall. The sky is clear and blue. A timestamp in the bottom right corner reads "03/01/2017 11:11".</p> |
